The 1st year curriculum prepayment is a one time payment per student. This pays for the first year of the curriculum for the student. The monthly fee pays for all future curriculum costs. It is paid every month until the student transfers or graduates.

Amador does not have annual registration or donation fees

All supplies and books are included in the monthly fee. We will provide a computer if a student needs one.

Amador offers multi child discount of 15% on the monthly fee.
